

Parish/Community Service Registration

New in 2016: Young people in Grades 6–8 are required to complete 10 hours of community service; and Grades 9-11 are required to complete 15 hours with at least three (3) service hours at the parish. These service hours can include any hours required as part of school clubs, scouting or other affiliations where community service is part of the program. The Community Service Verification Form can be found on the Youth Ministry page on the parish website at www.stkateriparish.org/page/yomin.

It is important to note, that those who are catechists, altar servers, lectors and greeters/ushers meet the required parish service hours; however, lending a hand at other service opportunities is encouraged.

Please return a copy of this form with your selections to the Youth Ministry Office.
